What I'd really like to be is a playboy bunny!

Well, what is the world coming to??

Gotta find a woman, gotta find a woman . . .

I'm bored . . .

I wish I waas a teddy bearrr

Jeff is #1 on my list, believe me it's a long one!

Do you think I could change your mind?

This place isn't big enough for both of us!

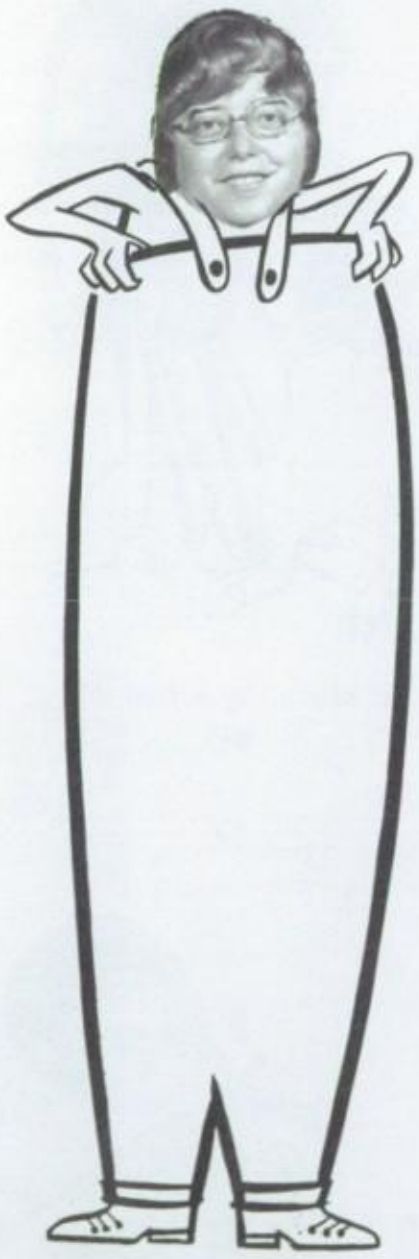
Your NASTY and that's the truth pthhhhhhhhh . . .

How did she ever guess?!

I need some some more water.

GO FOT IT!!

Shower with a friend!!



But I can't afford my pants
to shrink, can I?

Dad, look we have a built in pool!

The roof got a hole in it,
and I might drown . . . .

I better watch him

What is this?

Do We look important

Aren't they Grand!

I can really get into this kind of music

I think he needs a partner!

Lets go where the action is!

oh, my God what have I done

Dig this music

This is fun! can you do this?

I'm super fly!

Got anything to drink, scoot over I'll be in.

Come join the party We're a barrel of fun.

I want a piece of the action

I could get to like womens lib!

Hi there

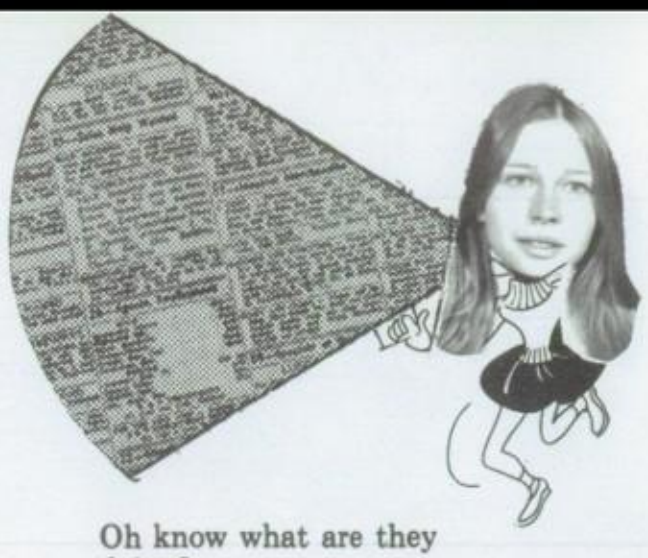
I said no! I am boss!

I like parties on planet arnold

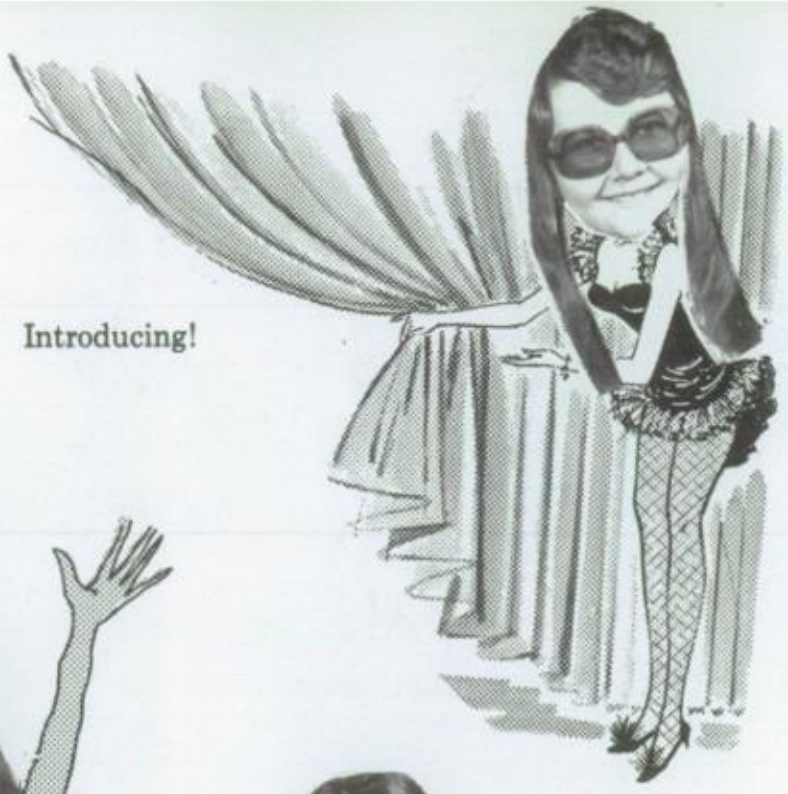
I don't believe I ate the whole thing.

That will teach her

Hi guys!

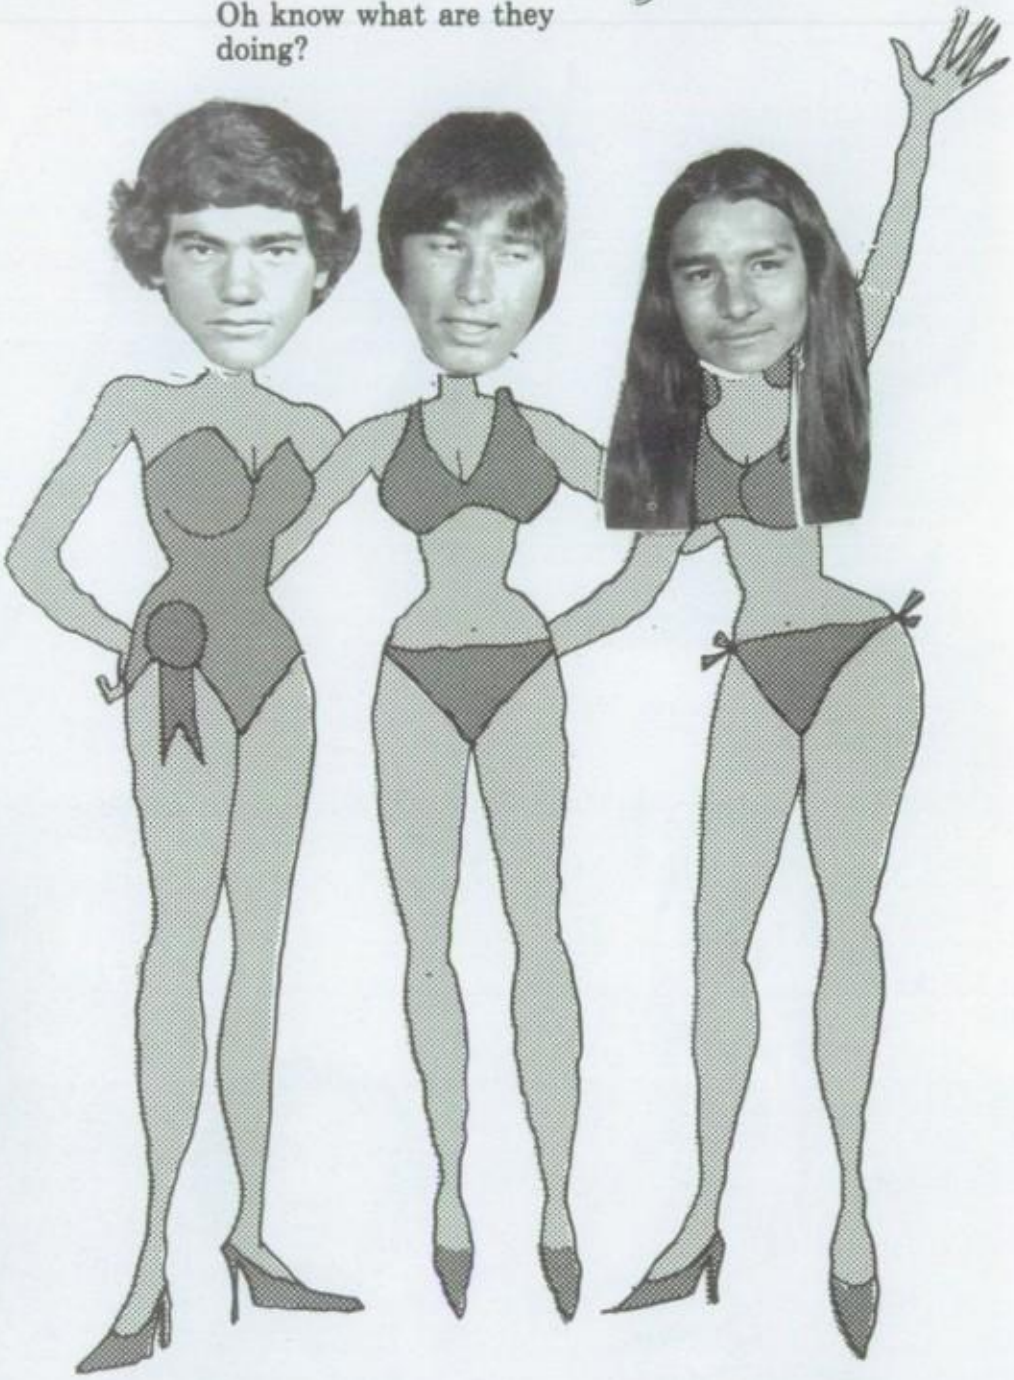


Oh know what are they doing?



Introducing!

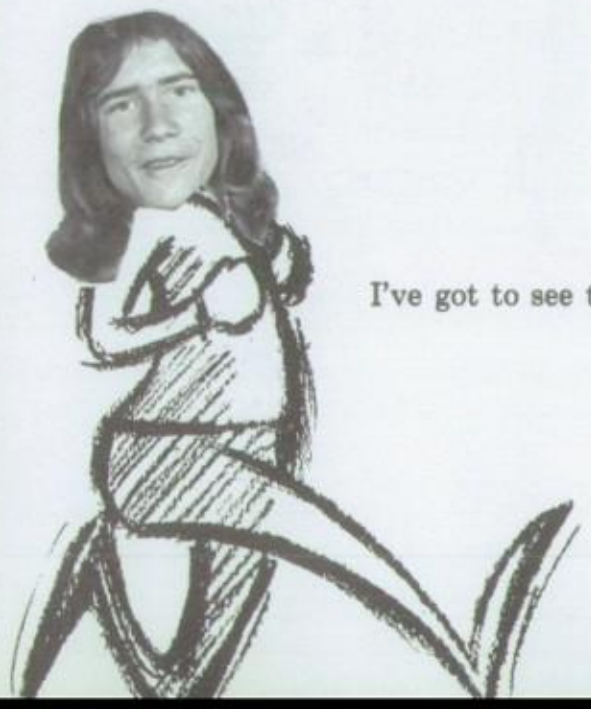
Just what they need.



I've got to get a picture of this.

When I grow up I'm going to be just like them.

Drunk or sober hell or heaven, we're the class of '77'



I've got to see this!

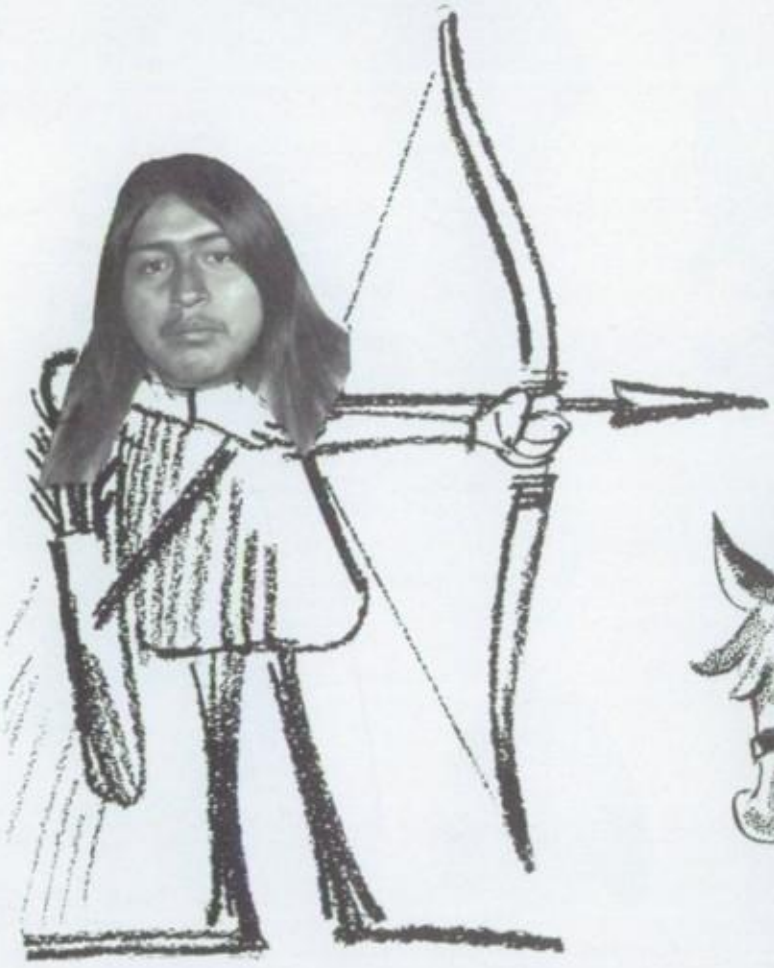
What a man!

The criminal rate has gone up?

Do you want me for my money or my looks?

Stick 'em up.

I'm going to be just like him.



Is he for real?

You can't even go for a Sunday ride these days!

My mother told me about the bunnies and the bees.

I'M A BEE!

Ain't he cute?

Me Too!

Are You Kidding Me?

Will you play with me?

I'm in space.

Do you like it??

There's nothing there.

He's gonna get it.

Get what??

You try it.

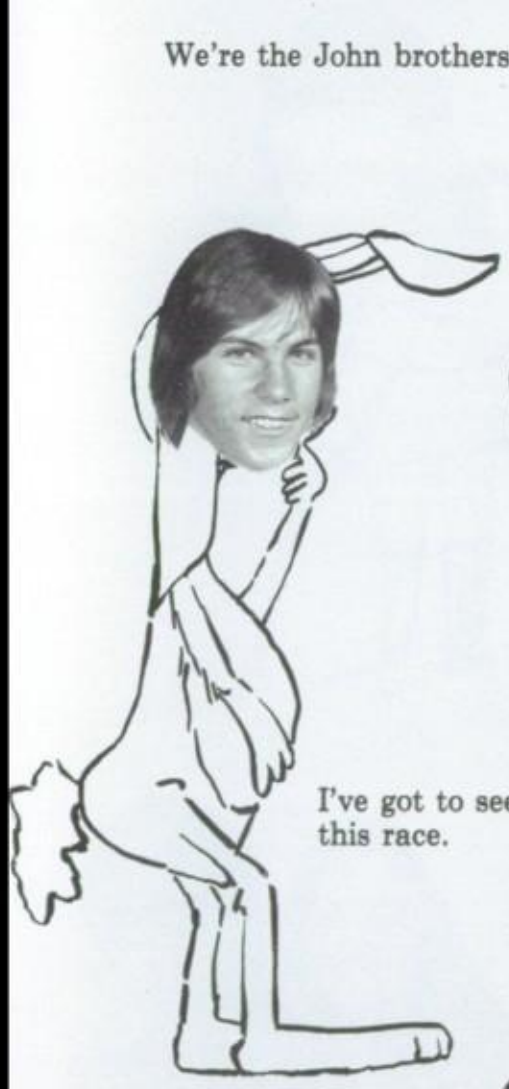
Should I.

Circus time.

We're the John brothers.

Longest arms in the world.

Look I'm Bald.



I've got to see this race.

And you thought the tortoise and the hair was bad!

I feel out of place.

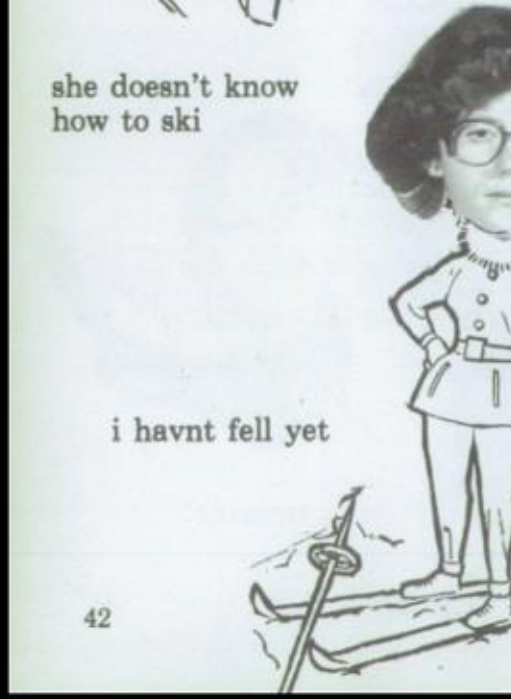
Did you're mother tell you about the birds and the bees?

Imagine!

come eat

did this turkey talk to me

don't repeat it



she doesn't know how to ski

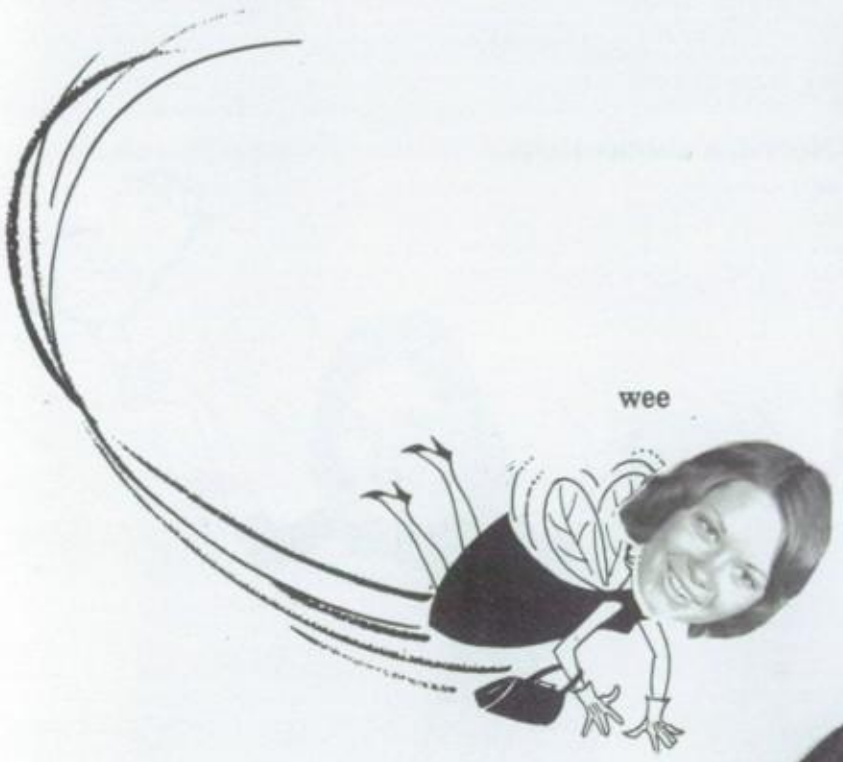
i havnt fell yet

i feel good

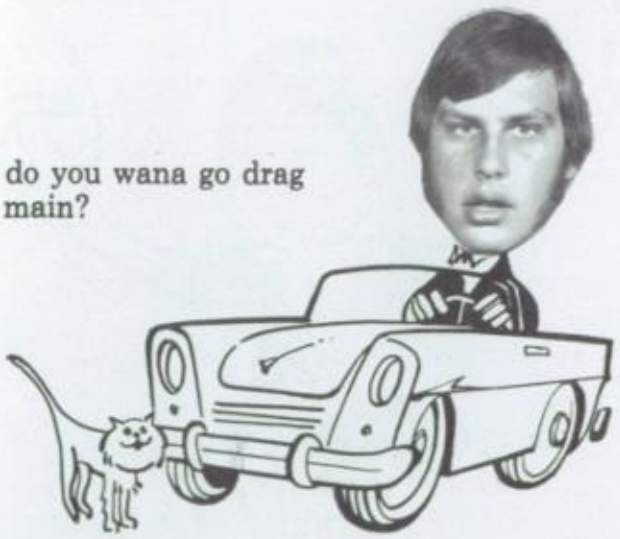
he's lazy

what a bore

mmmm good



wee



do you wana go drag main?

boy the winters are cold in wyoming.

And their off!

Some times I feel so dumb.

No, no, a million times no.

Let's go party!

I think I'll go back to the show Buzz.

I hate pictures!

SMILE!

A. B. C. D. E.....

"Like a rhinestone cowboy!"

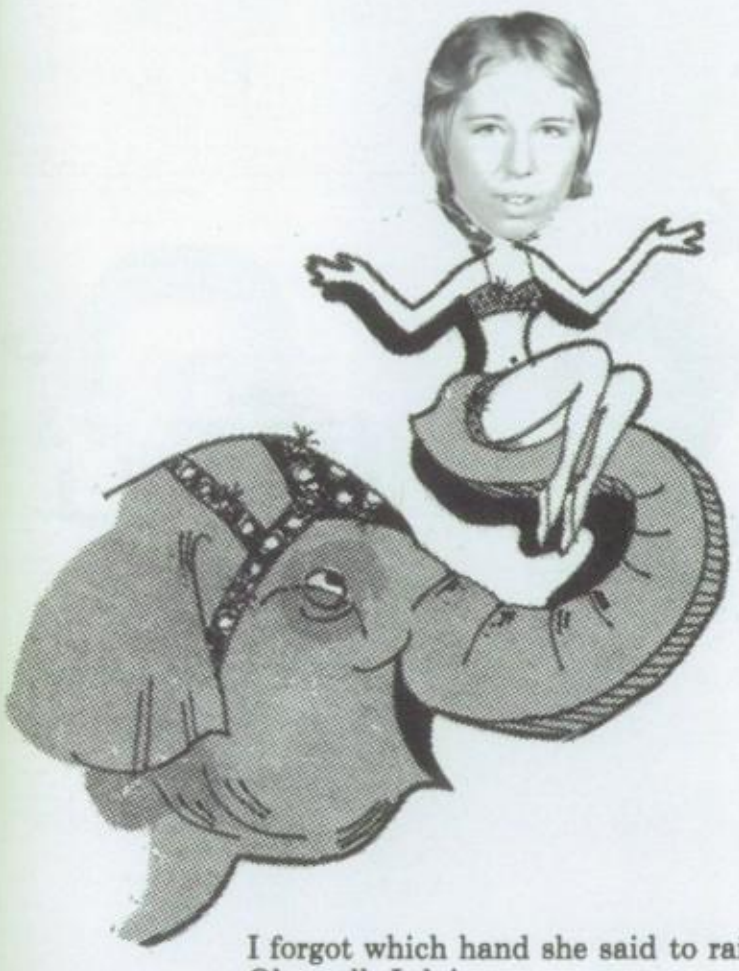
Boy am I tired!

All in favor of graduation say I do and raise left hand!

I do.

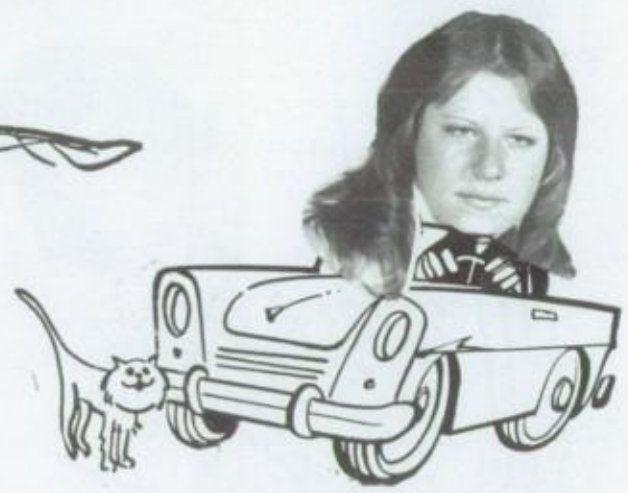
Left hand right!

I do.



I forgot which hand she said to raise! Oh, well, I do!

All this, I do bit, sounds like their getting married! I Don't!



Why do these things always happen to me?

I am graduating, wee ----

We have to find our own path to follow now.

What am I going to do now that I'm graduating?

They have the pictures of all the graduating class and she cut it up!

I'm going to be a model.

I'm going to miss this School and all the kids.

Exciting future.

I'm going to be a famous some day!

I'm going to be a singer.

I'm Popye the sailor man!

And we came to the store to get a broom.

I'm going to college.

The passage beyond life is sought to be found
to seek your own pathway to find your own trail

What is in store for your future ahead
when you find that your mom and dad
aren't there to help you play your cards right
or when you were little and scared of the night
You see that this game is OVER, almost over night!

Now you're a Senior almost on your own
through this school is where you have grown
you have made friends in which
you have been able to lean on
Now they will graduate and go on their way
Your friends will go off for their dream to come true
You will be lonely but it will happen to you too!!
Keep a smile on your face and a little bit of laughter inside
Your happiness will show your sadness you'll hide
Keep on laughing, sharing, and caring
For Life goes on; the Sun Shines Forever

Memories of my high school years,
fill my heart with joy and my eyes with tears.
A time of laughter I will always remember,
with parts of it I've saved and will always treasure.
Like the wilted corsage I wore to prom,
or a worn out record of my once favorite song.
A particle of that special date I wished would never end,
and my yearbook covered with the signatures of all my highschool friends.
People whos names and faces I shall soon forget
yet in my heart a place for them will always be warmly kept
I look to the future with fear and sorrow,
uncertain of where I am destin tomorrow.
Thinking that this carefree time would always be a part of me,
the day that seemed so far away suddenly becomes a reality.
I suppose the hardest thing a person has ever done,
is to leave his home and family, his own life has begun.
In everybodys life there will surely come that day,
when a person parts from his family and goes his separate way.
So now that you and I must part I sorrowfully say solong,
Because I like you must now hit the road and sing my separate song.
But if your walking down the road and feeling kind of scared,
just try and think back to those lighthearted years that once we all shared,
And you will find that just thinking about the memories of our high school years,
will definitely warm your heart with joy and fill your eyes with tears.

Steve Milam
